

Lake View Camp's **BLUEBERRY BLITZ!**

Once again, Lake View will be selling FRESH Michigan blueberries! A friend of Lake View Camp has offered to provide us with as many fresh Michigan blueberries as we can sell, delivered straight to Pella from his family's 4th generation farm. Over the past decade, blueberries have been called the miracle fruit for their outstanding source of vitamin C, dietary fiber, manganese, and antioxidant properties—the things that fight against the development of cancer, cardiovascular disease, and Alzheimer's.

We here at Lake View Camp know a thing or two about miracles (though of a different sort of course!) and see this partnership between the miracle fruit and a camp where God's miracles happen every day as a special opportunity to raise some much needed funds. So, join in our **BLUEBERRY BLITZ!** and help our ministry stay as healthy for our campers as these miracle berries will keep your body and mind.

ORDERS DUE: Sunday June 23 to Cedar Hills Office

Address: P.O. Box 836

Pella, IA 50219

Phone: (641) 628-2160

Website: www.lakeviewconference.com

.....
